

Final External Auditor Report and Certificate 2022/23 in respect of Upton By Chester Parish Council CH0204

Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2023; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

External auditor's limited assurance opinion 2022/23

On 26 September 2023, we issued a report detailing the results of our limited assurance review of Sections 1 and 2 of this authority's Annual Governance & Accountability Return for the year ended 31 March 2023. We explained that we were unable to certify completion of the review at that time. We are now in a position to certify completion of the review.

The external auditor report given in Section 3 of the Annual Governance & Accountability Return requires amendments as follows:

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with *Proper Practices* and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Section 1, Assertions 1 and 2 have been incorrectly completed, the responses should have been 'No'. We raised a matter in our prior year report reminding the smaller authority of the requirement to regularly monitor income and expenditure against budget in accordance with the mandatory requirements of Assertion 1 and its financial regulations, and to document this process. However, this report was not issued until May 2023 and, while we understand that the smaller authority has subsequently put in place new budget monitoring procedures, our report was not received in time to implement this in respect of the 2022/23 financial year.

Other matters not affecting our opinion which we draw to the attention of the authority:

The AGAR was not accurately completed before submission for review. The AGAR has been amended.

External auditor certificate 2022/23

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance & Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2023.
