

CLERK'S REPORT – FINANCE COMMITTEE 08 March 2021.

Report on actions taken on resolutions made at the last meeting:

5. Tennis Court Refurbishment – I have sent the Feasibility spreadsheet to you, it would be helpful if you had reviewed this and can bring comments to the meeting.

6. Playground – Cllr Bennion has drawn up a timeline for the repair of the playground surface. Further information on the progress on this project will be reported at the meeting.

7. Financial Reporting – I have not yet had the opportunity to look into alternative ways of financial reporting; Cllr Poulton will report at the meeting on her own findings.

It may be that you can agree to delay this until the new financial year?

8. Investment plans/Income generation – I have nothing further to report on this.
