

Your Upton 2030

What will Upton be like in 15 years time?
Complete this survey & help plan 'Your Upton 2030'

If you live, work or use the facilities in Upton, we encourage you to participate in this survey which will help the Parish Council to prepare our neighbourhood plan 'Your Upton 2030'.

This will set out how we want the area to develop in the next 15 years.

Following further detailed consultation, a draft plan will be submitted for approval to Cheshire West and Chester Council; followed by a public examination and referendum, before the final Upton 2030 Plan can be approved. The neighbourhood plan will be a legal document to be taken into account for all future planning applications in the parish.
